Remote Day Reminders and Tips

- ★ There are **no live classes** to attend via Google Meet.
- ★ The **remote/homework** is designed for you to do on your remote day. This work is different from the small (5 minute) homework that you may have done in the past when you get home after school. We suggest that you not work after school on your assignments. The remote work is to be in place of your class time and will require more than just a few minutes to complete.
 - Work is always due by the next class time, unless noted by the teacher.
- ★ Have a **workstation** set up that has supplies for you to complete your work.
 - In your backpack and binder - you do not need hundreds of sheets of paper or dozens of pencils. Leave most at your home work station.
- ★ Check your 4 Google Classroom Cores and your email for any **New Announcements** or updates.
- ★ Use your **Assignment/Agenda book** to verify what assignments that you have to complete.
 - If you forget to write down your work, check the **Team Newton website** for a list of the daily Remote/Homework assignments.
 - Go to MMS website <https://mms.milfordk12.org/>
 - Click on Teaching Teams
 - Pick Team Newton
- ★ After completing an assignment, **check✓** it off in your Assignment/Agenda book.
 - If it is a paper you must return, put it in your Orange To Do/Done folder.
- ★ If you have a **question** about your work:
 - reread the directions
 - check with a classmate
 - email the teacher
 - remember the teachers will be teaching and may not be able to answer your question until the afternoon
 - Mrs. Doherty is available if you have questions or need assistance with any assignments on Monday, Tuesday, Thursday, and Friday from 11:30 - 12:00.
